## **Gulf Coast Quarter Horse Association**

- The Gulf Coast Quarter Horse Association was started in the mid 70's in Beaumont, Texas.
- The Gulf Coast Quarter Horse Association is one of the premier associations in the area. Contestants come from all over the state of Texas and Louisiana.
- Our show offers various classes for both youth and adults. Classes are available for horses, ponies & miniature horses. We have even had a few donkeys and mules compete in our shows.
- It takes a great deal of money annually to underwrite these shows. We are proud to say a large portion of this money is awarded to the contestants in forms of awards and prize money.
